This chart is a guide and in rare cases even those who conform to this chart cannot be safely harnessed.

If in doubt, or if your weight exceeds the max. weight for your height, email us at "info@skydivewindy.com" to get a personal assessment.

All jumpers must be at or below the maximum weight for their height or be approved via personal assessment.

All jumpers are weighed at check-in and those who weigh 210lbs or more must pay an extra \$40.
